

Summary: The series is simply a group of several races tied together with points being accumulated for age group placing. There is no fee to join the series. Points will be awarded based on placing for each age group (see below). The age groups used for this competition will be the same for each race except for the 4 mile relay (see below). The age groups for this series may be different than the age groups recognized for the regular race group awards. For example, one of the races may have different age groups for their own prizes but for the race series, the age groups will be adjusted to keep it consistent.

Age Groups: (male and female) 12 and under, 13-15, 16-19, 20-29, 30-39, 40-49, 50-59, 60 and over. If you change age groups during the course of the series, you would still compete in the age group you started out in for the remainder of the series.

Awards: Plaques recognizing the overall champions and the overall champions in each age group will be awarded along with 2 free entries to all the first and second place winners to use for any 2 of next year's races.

Points: Age Group Places- 1st place- 7 points, 2nd place-4 points, 3rd- 3 points, 4th- 2 points, 5th- 1 point.

4 Mile Relay: 3 points will be awards for individuals getting first place in age group and 2 points for second place in age group to count for the age group competition.

Prediction Run: The real times will be used in figuring the age groups as opposed to using the prediction finishes.

Standings: Standings will be updated after every race and placed on www.defiancecountyranner.com.
